Card of Thanks.

To the members of the Tahkeestee Lodge, K. of P., of Fletcher.

Dear Knights:
I want to express my most hearty and sincere thanks to every member who contributed toward helping us. Again I assure you that I appreciate the goodly sum of money you sent my children. May the Lord of the harvest bless each one of you and lead you daily.

Yours truly,
MRS. T. B. CUNNINGHAM.

There is nothing better than we know of, for all kidney ailments, than Pineules. These pills are really excellent in any case of kidney trouble. For weak back, backache, rheumatic troubles, etc., they are unequalled. Sold by Hunter's Pharmacy.

BIG WILLOW

Mr. Charles Lyda, who has been in Idaho for the last several years, is now visiting his father, Rev. J. M. Lyda.

Forced Into Exile.

Wm. Upchurch of Glen Oak, Okla., was an exile from home. Mountain air, he thought, would cure a frightful lung-racking cough that had defied all remedies for two years. After six months he returned, death dogging his steps. "Then I begin to use Dr. King's New Discovery," he writes, "and after taking six bottles I am well as ever." It saves thousands yearly from desperate lung diseases. Infallible for Coughs and Colds, it dispels Hoarseness and Sore Throat. Cures Grip, Bronchitis, Hemorrhages, Asthma, Croup, Whooping Cough. 50c and \$1.00, trial bottle free, guaranteed by The Justus and Hunter's Pharmacy.

The easy, pleasant, safe, sure, prompt pills, are Rings Little Liver Pills. In any emergency! Pinealve Carbonized is the salve to use. It soothes pains. It heals bruises. Sold by Hunter's Pharmacy.

HENDERSONVILLE'S WATER SUPPLY

The report of the State Chemist of North Carolina, which appears below, stating that this town's water supply is pure and without pollution, is gratifying and should set at rest the false and alarming rumors sent out by some misinformed person or persons, from Hendersonville last Summer.

These reports were calculated to do this resort the greatest injury. They were grossly and wickedly exaggerated. In fact so absurdly exaggerated that they were stamped on their very face as being untrue. Still a lie travels fast, and The Hustler has letters from admirers Hendersonville, who are now in the South, repeating these absurdities and urging that the city authorities take some immediate action to set them at rest forever.

If some such action is not taken, at once, the town will be damaged not less than \$100,000 next Summer!

Nature's Gift from the Sunny South

Cottolene Is Not a Substitute for Anything

No animal product, such as hog lard, ever has afforded, or ever can afford a satisfaction to compare with *Cottolene*. It is far superior to lard because it contains no hog fat, and its purity is unquestioned. It is more economical than butter for shortening and frying because, being richer, one-third less is required.

Cottolene is made from cottonseed oil, a fluid extracted from the seed of purest cotton. *From Cottonfield to Kitchen*—human hands never touch the oil from which *Cottolene* is made.

Pies, doughnuts and cakes cooked with *Cottolene* can be fearlessly enjoyed by the most *determined dyspeptic*, for *Cottolene* makes food digestible as well as palatable.

There is no substitute for *Cottolene*, because there is no shortening as good as *Cottolene*. It is pure, clean, neutral in taste and flavor, and absolutely the purest and most healthful frying and shortening medium.

COTTOLENE is Guaranteed

Your grocer is hereby authorized to not pleased, after having given *Cottolene* a fair test.

Never Sold in Bulk

Cottolene is packed in pails with an air-tight top to keep it clean, fresh and wholesome, and prevent it from catching dust and absorbing disagreeable odors, such as fish, oil, etc.

Sunday School Convention

An open letter to all Officers and Teachers and older pupils of all schools in Henderson County.

If you read your county papers you will have learned that you, as representatives of your schools and as servants of the Lord Jesus Christ have been called to meet in convention in Hendersonville, at 9:30 a. m., Saturday, Nov. 20, in the Baptist Church.

You may not know that your county (Henderson) had 14,105 residents nine years ago when the census was taken.

No man knows how many of these are saved; and it can never be known until the Christian workers begin to hold conventions and plan to work together towards winning for the Lord's Kingdom every resident.

It is probable there are 8,000 or more lost people in this county.

If the balance are Christians in name it is probable that less than 500 are daily Bible readers; that less than 100 know what it means to be a Christian—born anew and living in the family of the father—know it well enough to help others into the life that is in Christ Jesus.

If there are 100 knowing what the Bible teaches a Christian to be, and able to win others, it is probable that less than 50 are seriously working at soul winning, although they are assured of the company of the Lord "all the days" while they are obeying him in the matter.

Now these probabilities are not suggested to make you mad, but to start sober thoughts. If they are near the mark, do you not need to come, together to hear what others are doing in the work of teaching and winning souls, and to confer about what you may begin to do?

Do you know how much easier folks may be taught through the eye (using a blackboard) than through the ear?

Do you know how to get all of the men in your neighborhood into the Sunday School? It is being done.

Do you know how to get all of the pupils to study the lesson at home?

Is the conduct in your school as orderly as in the public day school?

Do you know how to gain and hold the attention of restless boys and girls?

Scores of other questions to make you think might be asked and will be answered in the convention.

Come and have a share in it!

Ask your superintendent to appoint three delegates, or have the school elect them. Bring an offering or a pledge from your

your school; make it equal to 2 or 3 cents for each enrolled member and tell them what it is for when you return. Bring your own silver offering of 10, 25 or 50c; you never did give to this cause in your life, and you will be glad to do so after you have been in the Convention.

Your Fellow Laborer,

Deputy Sheriff Connor now has a record of capturing 14 "hoboes" found riding on Southern Railway freights. Thanks largely to Mr. Connor's activity the chaingang now numbers 37.

H. G. Duffy, Good Plumber.

The plumbing in Claude Brown's new block on South Main street is being installed by Mr. H. C. Duffy—which is to say the plumbing is being installed right.

Brevard Students Here

Main street was brightened and made more pleasant, last Friday, by the presence of some 40 or 50 students of the Brevard school, enroute to their homes. The school is closed until after Christmas.

JONATHAN CASE'S FARM AND BUSINESS OFFERED FOR SALE.

That fine 300-acre dairy and fruit farm of Mr. Jonathan Case's at Dana is now on the market, together with his \$5000 stock of general merchandise contained in the store house on the estate, where an annual business of \$20,000 is done.

This superb place, five miles from Hendersonville, on the top of the Blue Ridge Mountains, is thoroughly improved, and is one of the best known dairy farms of this section. One third of the 300 acres is in good timber, the balance is either under cultivation or in pasture, while the whole tract is enclosed with good wire fences.

Long known as one of the finest fruit and dairy farms in this part of the state, this ideal spot has on it over 2000 thriving fruit trees, peach, apple and cherry, the majority of the trees however being apples, 100 grape vines, two springs and a good well. There are many magnificent views to be obtained from different parts of the tract, which is, altogether, undoubtedly one of the finest farms in Western N. Carolina.

Besides the 12 room dwelling house on the estate there are four tenant houses, two store buildings almost new, good barns with room for 30 head of cattle, a barn to hold four horses, a magnificent new 75-ton silo, and a well equipped cannery.

Three churches and the Dana school house are close by, in fact almost on the property. A private telephone line affords direct communication with Hendersonville and the Dana postoffice is located in the store on the place.

Mr. Case offers for sale also his stock of general merchandise

valued at \$5000, his cannery with 12000 empty cans, ten good cows, a fine registered Biltmore Jersey bull, one pair horses, one pair mules, two 2-horse wagons, two single buggies, farming tools, mowing machine, disc plow, feed cutter, disc harrow, drag harrow cream separator, etc., all in good condition.

Mr. Case will sell the farm either as a whole or in tracts to suit purchaser, and will sell tools, merchandise and cannery with the farm or will sell the farm alone.

To those who would not be interested in either of these propositions will be afforded the opportunity of buying ten of his fine cows, either singly or in one lot, the Jersey bull, the horses, mules wagons, buggies, and stock of merchandise.

The farming implements, corn, fodder, hay and ensilage will be reserved until the farm is sold.

Anyone interested in this really fine property should either write, phone or go and see Mr. Case, the owner, at Dana, N. C., who will be glad to give any further information desired.
